Are you sure Amigos Taqueria is fully inspected, up to code and in compliance with ALL codes?

If they are willing to call for the death of a sitting President, who else are they looking at?

A Mexican restaurant called "Amigos Taqueria Y Tequila" in Westerly, Rhode Island is selling T-shirts calling for the murder of our president. In a restaurant, to "86" something is to get rid of it, when talking about humans, its murder. The phone number at the restaurant is 401-315-5800.
